

WebEyes®

Makes the Web easier to read™

One-of-a-kind, patented software that becomes part of your Internet Explorer toolbar and makes reading online more comfortable and less straining on your eyes.
Works with Windows Vista, XP, 2000, Me, 98 & NT

You Control Text Size on Web Pages

- No more straining to read the Web
- Easily adjust text size up to 144 pt.
- Text isn't just magnified...our unique "reflow" technology draws each letter new, crisp and without distortion

Eliminate Scrolling

- Click "Read Like a Book" icon and scrolling text turns into a book format
- Simply turn the page instead of scrolling
- A natural reading experience and increases reading efficiency

Special Features for Vision Impaired

- Alternative "Preference" settings
- Mouse or keyboard navigation
- Black and white contrast settings

Simple and Easy to Use

- Extremely user friendly...don't have to be a "techie"
- FREE 15 Day trial...you can try before you buy
- FREE Customer Service & Tech Support Mon-Fri: **1-800-983-6397**
- 30 Day Money Back Guarantee....if not completely satisfied
